

Patrick Pilon

I am the Regional Executive Director at DFDL, based in Phnom Penh, Cambodia. I have joined the firm in 2006 and since then, I have helped lead the firm's growth across Southeast Asia and Bangladesh. Through the years, DFDL has maintained its operational leadership anchored in Phnom Penh and maintained its belief of the great potential the country holds.

With more than 20 years of experience in operational, financial, and strategic management and consulting, I can bring a practical, results-focused approach to governance and execution. Before joining DFDL, I served as a Manager in Business Risk Services at Ernst & Young in Montréal, Canada, specializing in risk management and corporate governance. I am an accounting and finance professional, and I hold the Chartered Financial Analyst (CFA) designation.

I was part of the initial committee that launched the CanCham in Cambodia, and I am eager to re-engage with CanCham and its initiatives. I would be honored to be considered for nomination to be part of the Board of Directors of this new edition of the Cancham in Cambodia.

Thank you for your consideration
